JASON & CINDEE FRENN MINISTRIES
SPRING 2007

Hundreds coming to know Christ in Fresno outreach in November.

Jason Frenn preaching in December at their home church of 10,000 people in Costa Rica.

Dear Friend,
People need God! They need salvation in Jesus Christ. That is what motivates me to get up in the morning.

This year, the Lord has placed **FOUR SPECIAL CITIES** on our hearts where the number of people who need Christ is staggering. >>>

HELP US REACH IN 20

TOLUCA, MEXICO

POPULATION: 2 MILLION

TIJUANA, MEXICO

POPULATION: 1.5 MILLION

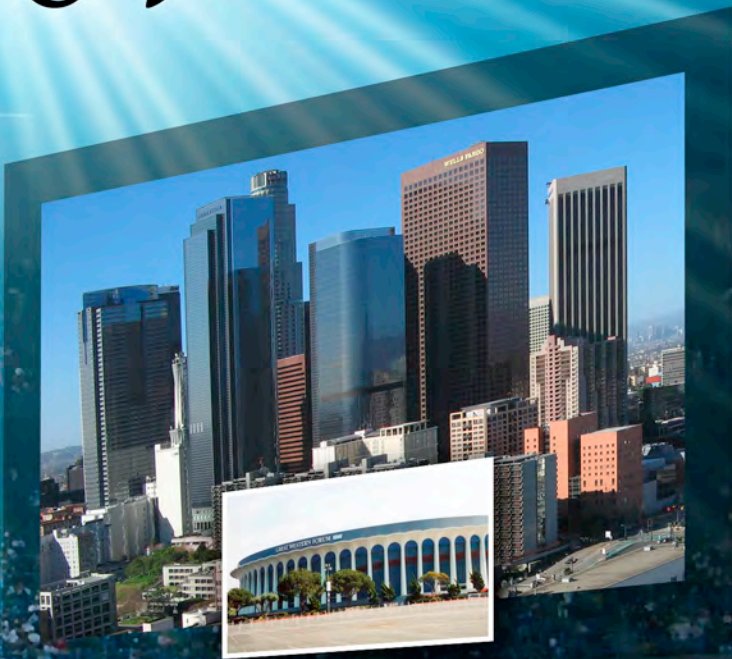

Everyday, 7,000 people die in Latin America without knowing the God who gives hope, peace and eternal life. But God has given us a way to reach four major cities in 2007.

The first city, Los Angeles, and the surrounding region of Southern California, have an estimated 10 million Hispanics, and the majority do not have a relationship with Christ.

Mexico City is the largest city in the world with an estimated population of 28 million. Tijuana borders the United States just south of San Diego. Over one million people live in poverty and need a clear presentation of the Gospel.

San Pedro Sula en Honduras is no exception. Honduras is one of poorest countries in the western hemisphere. They need to hear the Good News of Christ.

H THESE CITIES 007

LOS ANGELES, CALIFORNIA

POPULATION: 3.7 MILLION

SAN PEDRO SULA, HONDURAS

POPULATION: 500,000

Friend, we need your help in order to reach these cities this year. It all begins with praying people like you, laying the spiritual groundwork through prayer and making the entire process possible through generous giving.

Would you consider giving this year so that major cities like these can hear the Gospel of Christ?

A gift of \$100 can help us reach many people.

A gift of \$1000 can help us reach many, many more.

As you give, I want to say thank you from the depths of my heart. You have illustrated a great heart for reaching the Lost, and Cindee and I thank you!
