# NOT SINCE THE 60s!!!

## "NOT SINCE THE 1960s HAVE WE HAD AN OPEN-AIR OUTREACH IN THE COUNTRY OF CUBA!"

Those were the words of the General Secretary of the Assemblies of God in Cuba. The Cuban government granted us the wonderful opportunity of sharing the Good News of Christ in the province of Holguín in not one BUT TWO open air outreaches with more than 11,000 people present.

After traveling 12 hours in a minivan across the country, we began to prepare for these historic events.

For more than four hours people rode in the backs of dump trucks, with as many as 100 people per truck, to attend the first event, standing in the pouring rain. An hour and a half before we started, a torrential downpour hit the location turning it into Woodstock. Yet when we started, there were over 7,000 people in attendance standing in six inches of mud! I have never seen a crowd so large gathering without any publicity or advertising.

As I walked to the stage, mud had reached my knees, but I couldn't care less. The crowd pressed in against the platform, which the churches had constructed out of solid concrete the day before. The 90% humidity didn't seem to bother them as they sang and praised God thirty minutes before we started.

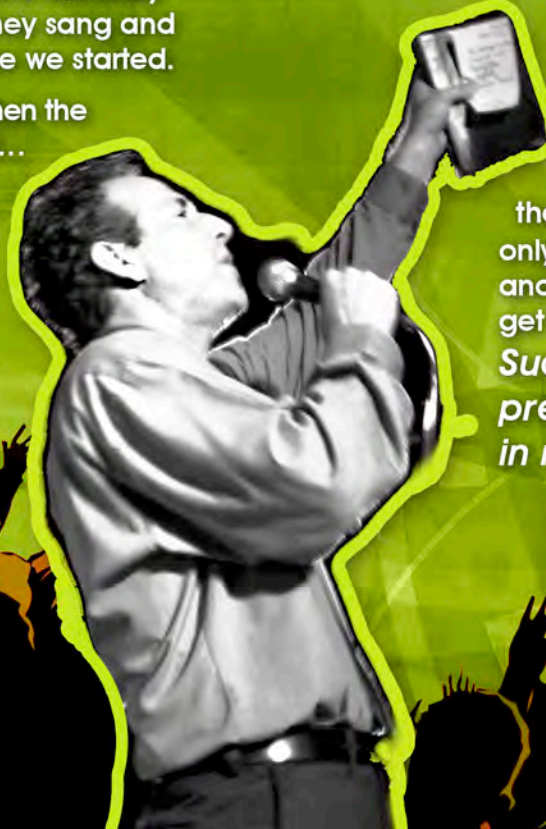

Something peculiar happened when the worship team kicked off the event...

***The crowd sang  
louder than the band.***

When I started to preach, there must have been 75 people standing on the stage all around me. The crowd had literally spilled onto the platform. I preached to a sea of people and gave the altar call. Thousands raised their hands asking God to forgive them, thus rededicating their hearts to Christ. Then I asked those who had never made a commitment to Christ before to move to the back of the lot, because there was no space in front of the platform. 279 people went back to the counselors.

Can you imagine standing in the back of a truck for four hours in the rain, standing in the mud for another four hours during the service and leaving the event at 11:00 PM – only to get back into the truck and drive another four hours to get home – without bathrooms? ***Such hunger for God is precisely why they are in revival!!!***

The following night we were in Guarda la Vaca, which literally means "Guard The Cow". It's located about four miles from the beach. Over 4,000 people came to hear that Jesus had come touch their lives. Close to 300 people gave their hearts to Christ for the first time with hundreds more rededicating their lives to God.

In Cuba, I was treated with honor, kindness and love every step of the way.

**THANK YOU FOR PRAYING!**  
**THANK YOU FOR BELIEVING!**  
**THANK YOU FOR GIVING!**

Just a few months ago, I sent you a newsletter with incredible photos of our latest crusade at the LA FORUM. Thousands of people gave their hearts to Christ. Then I wrote to you mentioning the miraculous open door for a daily Spanish radio program reaching the Hispanic community throughout the entire west coast of the United States. As a result of that program, thousands of people have given their hearts to Christ.

**TODAY, WE NEED YOUR HELP!!!**

On September 27, we're holding our next Southern California outreach for Hispanics at the San Diego Convention Center.

We are expecting a full house, and I am asking you to be a part of this historic evangelistic event. Would you prayerfully consider one of three ways to participate?

**FIRST**, would you pray?

I know that sounds cliché. But I couldn't be more serious. *Prayer is the greatest and most important form of help.*

**SECOND**, would you consider giving a one-time offering to help us reach thousands of people who wouldn't necessarily darken the doors of a local church?

**THIRD**, would you consider attending, working or bringing someone to the event that needs Christ? We cannot reach the second largest Spanish speaking region in the world without you.

HEAVEN OR HELL. LIFE AND DEATH. That's what's at stake, and we ask you to join us as we endeavor to share the Good News of Christ with those who desperately need to be set free.

# YOU CAN HELP REACH THOUSANDS!

PRAY. GIVE. INVITE A FRIEND.
