POWER TO CHANGE MINISTRIES

A YEAR OF HARVEST

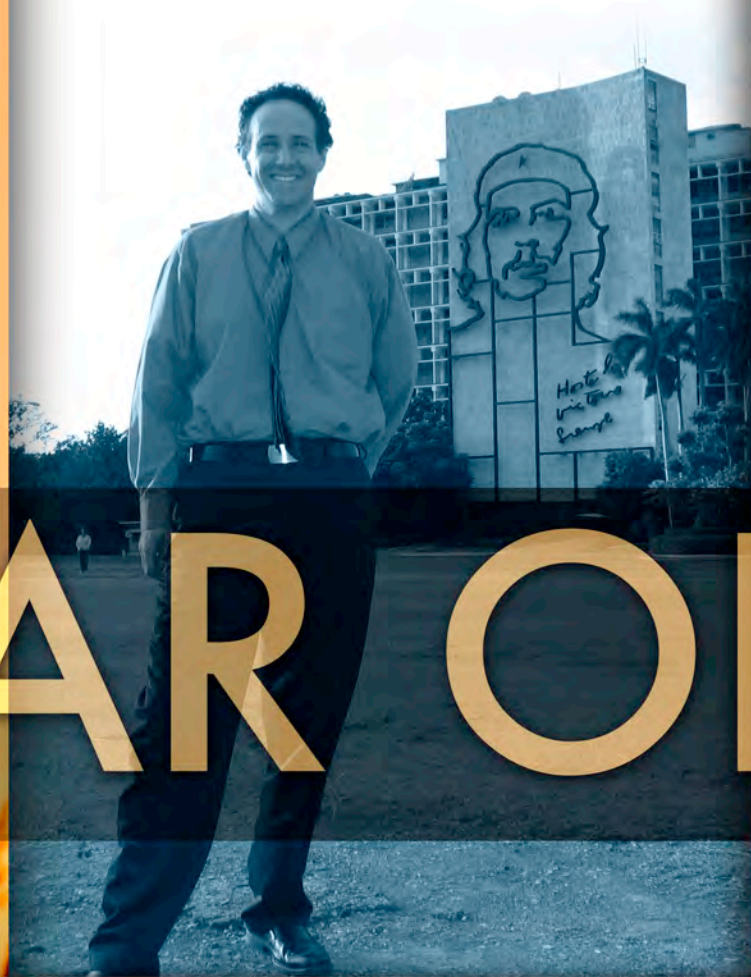

This has been one of the greatest years of harvest on record!

One thing is for sure, when times are tough, people look for answers. That has been the case in 2009. More people have come to Christ this year in our evangelistic outreaches than in any other year. As a result, God has opened even more doors to reach millions!

This year, we held a citywide crusade in Pasadena, CA with over 740 decisions for Christ.

We held evangelistic meetings in Havana, Cuba praying with over 1,000 people to receive salvation, healing and deliverance.

We held a massive citywide crusade in the second largest bullring in Mexico.

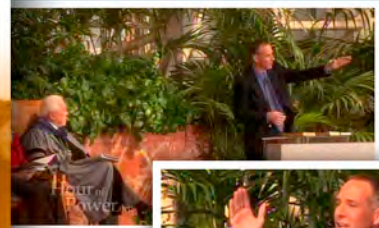

The outreach was held in Tijuana Mexico with SEVERAL THOUSAND people making decisions for Christ.

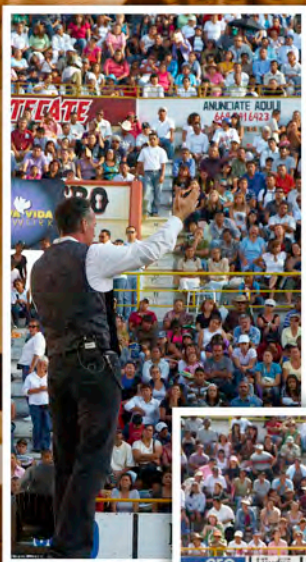

We preached several times on the international program,

My book, *Breaking The Barriers* was released. It is available everywhere books are sold.

If you contact me directly, I can send you a free study guide and leadership manual for small groups or individuals.

Coming up on Saturday Night December 5 (on TBN) and Sunday December 6 (check local listings), my message "No Barrier is too great for God's power" will air on Hour of Power in your area.

Cindee and I ask you to consider helping us with a year-end gift to help us reach those who need to begin a new life with Christ.

We have several crucial outreaches planned for next year, including outreaches in Cuba and other Latin America nations. *We cannot do it alone.*

You have stood with us over the years and as a result, we have seen more than 200,000 people make first-time decisions for Christ.

On behalf of those whose lives are weighing in the balance, thank you for helping us reach people who desperately need to know that Christ has come to set the captive free!

May the Lord continue to bless you richly!
