POWER TO CHANGE MINISTRIES

WHEN YOU LEAST EXPECT IT!

WHEN YOU LEAST EXPECT IT!

Coachella, California

Two hours before starting the crusade, I walked into the empty convention center and laid a box down on the table. I sat down, folded my hands, and prayed, "God, I don't know what you have in store for this outreach, but help me to do everything you want me to do. I don't want to get in your way."

Thousands of Hispanics were converging on the city from hundreds of miles away to attend this powerful outreach. There were over 400 volunteer workers ready to serve in any capacity.

When I glanced up, I noticed a woman in her early twenties walking toward me. Her red shirt identified her as a volunteer worker in our crusade team.

"Are you Jason?" she asked.

"Yes, I am," I replied.

She smiled, extended her hand, and said, "I have something I've been wanting to say to you.

"Two years ago, I was driving down the road. I felt so empty and lonely. I always listened to dance music to try and cheer me up. But that day, nothing helped. I scanned the different radio stations in my area, and I came across your radio program on Radio Nueva Vida.

"Just as I tuned in, you said, 'If you feel empty and are looking for true meaning, give your life to Christ. You don't have to suffer any longer.' I called the phone number and gave my life to Jesus that day. Since that time, I have faithfully served the Lord, and I have found true joy and peace. I haven't missed one day of your radio program. Jesus has indeed set me free!"

That day at the crusade, 430 people made the decision to follow Christ for the very first-time. The counseling/deliverance area was jammed packed with over 500 people in each service seeking spiritual help.

I believe that when God wants us to do something, it's NEVER an insignificant thing. It may seem unimportant to us. But to Him, our obedience is something powerful. We simply need to remember to do what He asks of us and NOT get in His way.

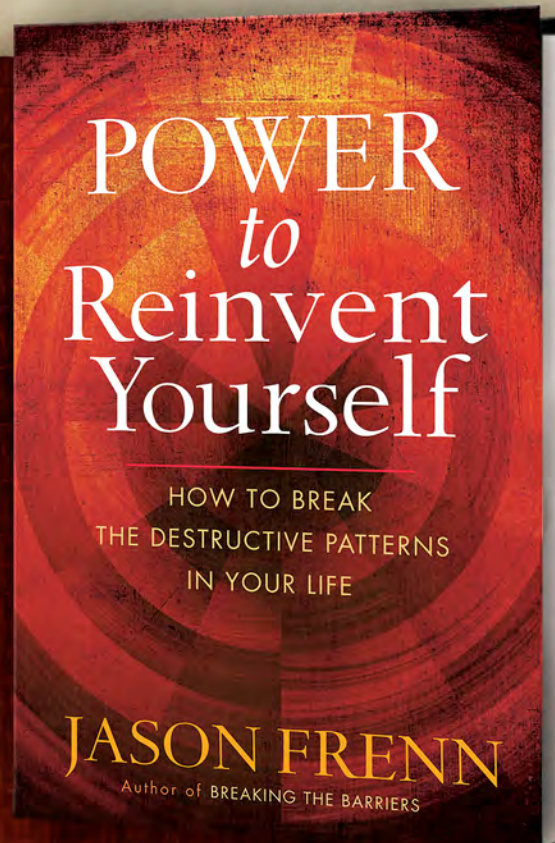

Jason's newest book is here!

Sooner or later everyone says, "When I get older, I am not going to raise my kids the way I was raised. I'm going to be different than my parents."

But when they get older they find themselves doing the same things their parents did. Be different! Break the cycle!

POWER to Reinvent Yourself will help you reinvent yourself **GOD'S WAY!**

It's available everywhere books are sold.

2010 Outreach Report

Thank you for your support!

In addition to the 430 decisions for Christ at Coachella, California in May, we saw another 350 decisions for Christ in our Tijuana outreach in August!

Tijuana, Mexico, August 2010

“That day... 430 people made the decision to follow Christ for the very first time.”

3 Things You Can Do Today

to help us reach thousands of people with the Gospel:

- 1. Pray.** Prayer is the greatest and most important form of help. Without your prayers we would be marching against the gates of Hell virtually “unarmed.”
- 2. Give.** Would you consider giving a one-time offering to help us reach thousands of people who wouldn't necessarily darken the doors of a local church?
- 3. Join us.** Would you consider attending, working or bringing someone that needs Christ to an upcoming outreach? You can reach out personally to those we can't.

You can contact us through the address below, or through our website: www.frenn.org
