

## Our Oldest Daughter

In May, our daughter Celina graduated from Vanguard University. When we first landed in Costa Rica in 1991, she was 9 months old. She is attending School of Ministry this Fall.

## Our Youngest Daughter

The second week of June, our daughter Jazmin graduated from high school. She is headed to Vanguard University after traveling to Camodia this summer on a missions trip.

In the next four weeks, we are scheduled to arrive in Cuba for the sixth time. As of this moment, we need \$9,500 in order to finish raising the entire budget for this very important missions trip. We will distribute evangelistic books, preach the national youth congress, and reach thousands for Christ.

**Would you prayerfully consider sending a one-time gift to help us return to that great island-nation to preach the Gospel.**
