

## CUBA TESTIMONY

This past March, Bob Birtwell, Jed and Donna Nibbelink and I traveled to the interior of Cuba for a series of open-air meetings. The last night, I asked the team to greet the crowd of 3,000. Bob Birtwell was the last one to address the people before I preached. He said, "Tonight, you will hear a great message of hope and salvation. As you look around, I am sure you've noticed the joy on people's faces as they sang. Perhaps you're wondering how you can experience that same joy. We'll that's because the Lord Jesus gave them that joy, and you can experience it too. So tonight, you'll have an opportunity to give your heart to Christ, and I pray you do so."

After the sermon and altar call, Bob was standing in the back of the crusade lot when a young lady named Ana came up to him. She brought her friend and sister with her as witnesses to what she was about to tell him. "Tonight, I decided to give my life to Christ after hearing what you said. You see, a year ago I had a dream of a man speaking on a platform saying exactly what you said tonight. For the past year, I thought about it, and tonight when I saw you, I recognized that the man in my dream was you!

The Lord often performs miracles right before our eyes. May we become more aware of how He wants to use us to reach a world that desperately needs His love and salvation.

SUMMER 2014

# OPEN AIR IN CUBA

In August, we are scheduled to return to Cuba for the eighth time. As of this moment, we need \$12,500 in order to finish raising the entire budget for our outreaches. We will preach to thousands, distribute evangelistic books, and travel 1,200 miles across the island nation.

**Would you prayerfully consider sending a one-time gift to help us walk through this very important historical door.**
